

Statement of Faith and Beliefs

God

There is one living and true God, revealed in the unity of the Godhead as God the Father, God the Son, and God the Holy Spirit.

Jesus Christ

Jesus Christ is God the Son, the Savior of the world. Born of the virgin Mary, Jesus declared His deity among men, died on the cross as the only sacrifice for sin, arose bodily from the grave, ascended back to the Father and is seated at the right hand of the Father, interceding for believers until He comes again.

The Bible

The Scriptures are God's inerrant revelation, complete in the Old and New Testaments, written by divinely inspired men as they were moved by the Holy Spirit. The Scriptures provide the standard for the believer's faith and practice and reveal the principles by which God will judge all, and express the true basis of Christian fellowship.

Creation

God is the author and creator of all life. He created all things for His own pleasure and glory, as revealed in the biblical account of creation. God created man in His own image. As the crowning work of creation, every

person, including the unborn, is of dignity and worth and merits the respect of all other persons.

Depravity

Although man was created in the image of God, he fell through sin and lacks any power to save himself from the penalty of sin which is death and eternal separation from God.

Salvation

Salvation is the gracious work of God whereby He delivers undeserving sinners from sin and its results. Salvation is based wholly on the grace of God apart from works or "religion." Any person who will exercise repentance toward God and faith in the Lord Jesus Christ will be saved.

Sanctification

All believers are set apart unto God at the time of their salvation. All Christians should continually seek to grow in grace by allowing the Holy Spirit to apply God's Word to their lives.

This Statement of Faith does not exhaust the extent of all my beliefs. The Bible itself is the sole and final source and is the foundation for my life, faith and purpose.
